

Before I Was Born

(My breeder studied my pedigree for a very long time and carefully chose my mum and dad;

- My parents and their parents were health tested;
- Most of family have proven at the shows that they conform to breed standard;
- My parents and their parents have a typical OES's temperament;
- Someone had me in their thoughts and loved me.

After I Was Born

- My breeder took great care of me, so I grew up well;
- My breeder put a lot of effort to socialise me;
- My breeder chose my new family carefully;

-I can always go back home to my breeder at any time for any reason.
